MORGANTOWN — The West Virginians for Life Political Action Committee (WVL-PAC) is pleased to announce the endorsement of Mr. Scott Nale for election in the 2022 primary election to the West Virginia House of Delegates.

“We commend Mr. Nale for committing to the pro-life cause, especially to the unborn, the elderly and those with disabilities,” said Dr. Wanda Franz, president of West Virginians for Life PAC.

WVL-PAC is the internal PAC for West Virginians for Life (WVFL), the state pro-life organization. WVFL is affiliated with the National Right to Life Committee and through education, legislation and political action is working to build a society where all human life is respected, from conception until natural death.

West Virginians for Life works through legislation, education and political action to protect those threatened by abortion, infanticide and euthanasia.
