WEST VIRGINIA RIGHT TO WORK COMMITTEE

2022 Candidate Survey

West Virginia's new Right to Work Law provides that no worker can be denied a job because he or she either joins or does not join a labor union. West Virginia's Right to Work Law guarantees that individual workers can freely choose for themselves whether or not to join or financially support a labor union.
 WILL YOU OPPOSE ANY EFFORT TO WEAKEN OR REPEAL WEST VIRGINIA'S RIGHT TO WORK LAW?

2. In some states, legislation has been introduced to force working men and women who have chosen not to join or support a labor union to pay union dues -- so-called "agency fees" -- to a labor union, or risk being taken to court or even fired.

WILL YOU OPPOSE ALL ATTEMPTS TO FORCE WORKERS IN WEST VIRGINIA TO PAY UNION DUES OR "FEES" TO AVOID BEING SUED OR FIRED?

YES ____NC

3. West Virginia law currently prohibits so-called "project labor agreements" (PLAs) on state construction projects. PLAs discourage non-union companies from bidding or working on state-funded projects. These agreements usually require bidders to have unionized employees or agree to pay union scale wages which, studies show, lead to more spending and higher taxes.

IF ELECTED, WILL YOU OPPOSE ANY EFFORT TO REPEAL WEST VIRGINIA'S BAN ON "PROJECT LABOR AGREEMENTS," WHICH DISCRIMINATE AGAINST COMPANIES WHOSE EMPLOYEES DON'T PAY DUES TO A UNION BOSS?

YES	NC
